

"INVASION FORCE"  
Pilot Episode:  
Attack of the AntBeasties!

By Alan Holman

EXT. TATSU NINJA GARDEN - DUSK

KIT YOUNG, a 16 year old ninja cadet, practices martial arts with a martial artist of equal skill: a beautiful young female classmate named SONJA TORRID.

SONJA  
You're the best.

KIT pins her.

KIT  
I love being the best.

They kiss.

INT. TATSU NINJA SCHOOL LUNCHROOM - MORNING

The morning light reflects softly off the dewey windows, onto the tables in this crowded lunchroom.

KIT sits with SONJA, eating while reading news from a laptop computer.

KIT  
According to this world-news web-site, AntBeasties have landed on the moon.

SONJA  
That look in your eye either means you're forming a plan to save humanity, or you need to use the washroom.

KIT  
Number two, for number one!

INT. PRESIDENTIAL PRESS CONFERENCE - MORNING

The President of the United States, HANK STANTON, speaks to the press.

STANTON  
We have this AntBeastie situation under control.

YOLANDE SMITS, a sweaty, tightly-clothed, brown haired, green-eyed, gun-wielding 22 year old woman, enters along with ROY SANGSTER who is a 49 year old, sweaty, bald, muscular black guy who wears an army uniform.

STANTON  
These people are Yolande Smits and Roy Sangster: **INVASION FORCE**; their efforts against the AntBeasties will be aided by the recently-unclassified spaceship INTREPID.

INT. TATSU NINJA SCHOOL LUNCHROOM - MORNING

...same as before, except KIT uses his laptop computer to hack into secret government files.

KIT

I hack like the ninja: swiftly, and without notice. These are the schematics for the INTREPID.

SONJA points at the schematics.

SONJA

I see a nearly invisible flaw in the Relativity Compensation devices of the third propulsion coil.

KIT

Holy gosh, you're right! I'll alert them via an anonymous e-mail!

INT. PRESIDENTIAL PRESS CONFERENCE - MORNING.

...same as before.

STANTON

Worldwide speculation about the AntBeasties catalyzed precautionary measures. Our planet, and our country, will remain safe from this enigmatic threat. Joining INVASION FORCE, as a medic, psychiatrist, and walking time-bomb, is Amanda Robot.

AMANDA ROBOT enters -- she's a sexy redhead with big breasts.

STANTON

An anonymous hacker, from the Tatsu Ninja School, has pointed out a flaw in the INTREPID. The flaw has been remedied, and Tatsu's Computer Hacking Department is awarded a Presidential Commendation and grant -- their anonymous hackers solve many possibly-vital problems in the world. Now I must turn things over to Gareth Evilmen, the C.E.O. of OmniTron; he has some words to say.

INT. OMNITRON PRESS ROOM - MORNING

GARETH EVILMEN, a large bald man, with fake eyes, strokes a white cat while speaking to a television camera.

EVILMEN

As the official corporate sponsor of INVASION FORCE's mission to the moon, OmniTron will graciously provide Clear Sparkling Saskatchewan SpringWater to INVASION FORCE, for use in the INTREPID's water-cannons.

INT. PRESIDENTIAL PRESS CONFERENCE - MORNING

...same as before.

STANTON

My mentor since childhood, Norgstron, taught me everything I know. As a personal favor from me, he's joining INVASION FORCE.

NORGSTRON, a balding, elderly veteran, enters.

NORGSTRON  
Whipper snapper!

INT. LIVING-ROOM, YOUNG HOUSEHOLD - MORNING

KIT'S MOTHER serves breakfast to him.

KIT  
I plan to stowaway on the INTREPID.

KIT'S MOTHER  
Don't forget to pack a lunch.

EXT. PROVING GROUNDS - NIGHT

ROY SANGSTER holds his girlfriend CLARA very close.

ROY  
I only wanna save all humans because you're one, sugar-baby.  
  
They embrace.

INT. UGLY CAR - NIGHT

BRAD THON, a clean-shaven 24 year old white guy who drives an ugly car, sits with a PROSTITUTE in his ugly car.

PROSTITUTE  
Why do the guys in the military call you Killer Whale?

BRAD  
I'm not paying you to ask questions.

A POLICE MAN knocks on the window.

POLICE MAN  
You're under arrest, Brad Thon.

A MILITARY MAN interrupts.

MILITARY MAN  
He's not under arrest, sir! Direct orders from the Secretary General make this man a last-minute addition to INVASION FORCE.

BRAD THON  
God's gift to woman might be God's gift to humanity's survival.

The PROSTITUTE smacks BRAD.

INT. RESIDENTIAL OFFICE, WHITE HOUSE - NIGHT.

Hank Stanton has coffee with the SECRETARY GENERAL.

STANTON

Why is BRAD THON the newest addition to INVASION  
FORCE?

SECRETARY GENERAL

I want the guy to quit calling my machine, pleading for  
employment.

INT. BRIDGE, INTREPID

This bridge is located on the command deck. A tour-group passes through,  
taking pictures.

KIT YOUNG is a member of the tour-group.

TOUR GUIDE

In this room, all decisions which might save humanity from the  
AntBeasties will be made by INVASION FORCE.

KIT kisses a beautiful young woman whom he has met during the tour.

KIT sneaks away from the tour-group, and hides in a vent shaft.

INT. VENT SHAFT.

KIT opens his luggage.

KIT

I forgot to pack a toothbrush.

KIT falls asleep, using the suit-case as a pillow.

EXT. PROVING GROUNDS - MORNING

A live audience sits in bleachers, waiting to watch the launch.

The INTREPID, a ship which looks like a shoe, is in the focal point of the  
grounds.

A REPORTER holds a microphone, and talks to a camera.

REPORTER

Behind me, the INTREPID, containing INVASION FORCE, is  
almost ready to launch.

THE INTREPID launches.

REPORTER

Well, there it goes.

INT. VENT SHAFT, INTREPID

KIT

I'm hungry.

INT. BRIDGE, INTREPID

THE INVASION FORCE sit at control stations. KIT leaps, from a vent in the middle of the ceiling, into the middle of the room, where he lands softly. THE INVASION FORCE aim guns at him.

KIT  
Got a sandwich?

ROY SANGSTER  
I'm the king of the laser pistol.

BRAD THON  
I'm a trigger happy white guy.

YOLANDE SMITS  
I've got perfect aim. I spell danger.

NORGSTRON  
Say your prayers, whipper snapper!

KIT  
Please put your guns down! I don't mean harm! I only want a sandwich! I'm the hacker from Tatsu School!

They put their guns down, and smile.

ROY SANGSTER  
Welcome aboard, Kid.

KIT YOUNG  
My name's not Kid; it's KIT!

For a second, everyone looks weird, then they don't, and KIT asks...

KIT YOUNG  
What was that!?!

AMANDA ROBOT  
The ship has flown through a time-warp which has taken us seventy years into the future. What fate has befallen humanity without us to stop the AntBeasties?!

The viewscreen activates, displaying GARETH EVILMEN who now has a rocket-pack for a back, and a gun for a left leg! He strokes a stuffed cat.

GARETH  
Got water?

AMANDA ROBOT  
Yes, for the water-cannons.

GARETH  
Great. A tractor beam will take you to prison on Mars Base.

INT. PRISON CELL

THE INVASION FORCE is in a prison cell.

KIT

I should have packed a lunch.

AMANDA ROBOT

I wish I were human.

ROY SANGSTER

My one phone call revealed that Clara bore me a son: Brody Sangster. At just eighteen, he was killed in the army, fighting against AntBeasties. I must avenge the death of the son I never knew.

AMANDA ROBOT

I may be a doctor, but I can't cure a broken family.

BRAD THON

I want to rot in here!

NORGSTRON

We gotta find a way out of here, I reckon...

KIT

I hid my lap-top computer behind my back when we were taken captive by those chrome DEATHTROOPS.

YOLANDE SMITS

That's great, Kit!

KIT hacks on his computer for a while.

KIT

According to the internet, the bars are holograms -- we can pass right through them.

EXT. PRISON YARD - NIGHT.

A spotlight shines near the INVASION FORCE which hides behind a bush.

KIT uses his laptop computer.

KIT

NOW!

KIT accidentally drops his computer before the INVASION FORCE jumps through the holographic wall of the prison.

EXT. HIGHWAY ON MARS - NIGHT.

THE INVASION FORCE walks.

YOLANDE

They've given mars an acceptable level of oxygen... and this highway.

ROY

If the directions on how to escape from that prison are available on the web, how come we're the first to escape?

KIT

The only people with internet access are employees of OmniTron, and they're forty ton mindless deathtroops with no use for that info!

NORGSTRON

It's dark. I'm scared.

A small, wet dog approaches.

ROY

I'd buy my son a dog...

BRAD

Chicks dig guys with dogs.

NORGSTRON

Once upon a time, my battalion met a dog who claimed to have...

The dog bites NORGSTRON's leg -- he lifts his pants, revealing bite-marks on a wooden leg.

NORGSTRON

This is what I get...

AMANDA

Should I kill it?

KIT sounds sarcastic.

KIT

(sarcastic)

Oh sure.

Amanda kills the dog.

Everyone falls silent.

RANDT ORSON, an upbeat wheelchair-bound black kid, approaches.

RANDT ORSON

You killed Scruffy, but antidepressants keep me strong.

BRAD THON

Hi kid. What's your name?

RANDT ORSON

Randt Orson.

BRAD THON

That's a stupid name. Stupid! Stupid! It sounds stupid.

RANDT ORSON

I can break you.

PAUSE.

KIT

Randt's a cool name! I'm Kit! We're from seventy years in the past. What's up with Mars having air? When did that happen?

RANDT

I don't know. I'm young and I skip school.

AMANDA

Kit, find out on the internet.

KIT

I accidentally dropped my computer...

INT. RESTAURANT - NIGHT.

THE INVASION FORCE and RANDT sit, eating food, and drinking drinks.

RANDT

Hey, you're INVASION FORCE! You went missing in 2030! That was seventy years ago!

NORGSTRON

Yes. And if my calculations are correct, we are now in the year ... Um...

KIT

It's the dawn of the twenty-second century.

RANDT

I wish that I could join a group. Hint. Wink.

NORGSTRON

Well...

RANDT

Anyway, Mars Colony has three cities. Anyway, Mars Colony is just the pet-name for it; kind of like how Scruffy was the pet-name for my dog. Anyway, It's actually called OmniTron's Corporate Mars Base.

ROY

And the three cities?

RANDT

Anyway, the three cities are Capitron, Metropitron, and Smalltownitron.

YOLANDE

What would you recommend?

RANDT

Well, Metropitron is a tourist hot-spot; it's got the famous Mars Mystery Spot. Anyway...

AMANDA

If you say "Anyway" one more time, I'll kill you.

RANDT

Any...err...way? OOPS! PLEASE DON'T KILL ME! I'VE NEVER HAD A FRIEND! I'M SO PITIFUL!

AMANDA aims his gun at him.

KIT

No, Amanda. Don't kill him. We might need his help. He can be our friend!

RANDT

Gee, really!?!

KIT

Uh-huh. Sure! What do I care?

RANDT

YIPPEE!!!

NORGSTRON

Metropowhatnot sounds like a nice little place. How do we get there?

INT. BUS - NIGHT.

INVASION FORCE rides in a bus!

EXT. HOTEL - NIGHT.

In the middle of a huge golf-course, this hotel is surrounded by a heart-shaped wall of palm-trees.

As the bus arrives, INVASION FORCE exit from within it.

RANDT

This hotel is run by the drug lord who provides me with antidepressants. Anyway, this place has a wheelchair ramp!

KIT

I don't see a...

RANDT

OH NO! WHERE'D IT GO!?!

INT. HOTEL ROOM - NIGHT.

THE INVASION FORCE, and RANDT enter this strange room which has seven king-sized-beds, a dining area, a door to a bathroom, and a patio which overlooks palm-trees!

KIT

See, nerds are valuable friends; they're lonely, so they give you things!

YOLANDE

No one confiscated my gun yet, so where can I practice my marksmanship?

RANDT

The golf course -- shoot flying balls!

AMANDA

I wish I were human. I wish I could dream...

ROY

Hmm... Tomorrow, let's find Evilmen's base, find our ship, then find a time-warp back to our time.

NORGSTRON

Yes.

We hear a BANG from below.

RANDT

It came from Dal's room! -- he's the drug-lord! C'mon!

INT. DAL'S ROOM - NIGHT.

This room is better than INVASION FORCE's suite.

Police officers, and observers, stand around the body of DAL, a drug-lord's who has a gunshot-wound in the middle of his forehead.

INVASION FORCE enters.

RANDT wheels toward DAL's body, and cries.

YOLANDE

It looks like your painkillers wore off, Randt.

POLICE OFFICER

Randt. Who might have done this to him?

RANDT

My posse, bitch.

POLICE OFFICER

Seriously?

INT. HOTEL ROOM - NIGHT.

INVASION FORCE sits around the table.

RANDT

Now, I run this hotel with drug-money. I'm the big boss-man, just a little kid who no one would suspect. Anyway, how can I keep you quiet without killing you?

NORGSTRON

Simply give us this hotel suite for free, so it can be the official INVASION FORCE H.Q.

RANDT

Sure! I love you guys!

For some reason, KIT gives a motivational speech...

KIT

Our teamwork: Satisfactory. Our morals: Questionable. Our mission: Challenging. Our schedule: Interesting. Our chemistry: Cliche. Our TV series: Pending. Our looks: Commercially appealing. We have mediagenic faces. We have big guns. We have big fun. We are INVASION FORCE!

EVERYONE

YAY!!!

INT. HOTEL ROOM - EARLY MORNING.

INVASION FORCE sleeps.

Suddenly, they hop out of bed, and stand in a line -- except for ROY. They salute ROY.

ROY

I'm trained to kill a man with my bare hands. BRAD!

BRAD

Yes sir?

ROY

What do I know?

BRAD

How to kill with your bare hands, sir.

ROY

WRONG!!! Just kidding, you're right. YOLANDE!

YOLANDE

Yes sir?

ROY

You can shoot a gun, but what can you use more training in?

YOLANDE

Killing with my bare hands?

ROY

CALL ME SIR!!!

YOLANDE

Sorry, sir.

ROY

You'd better be. KIT!

KIT

Yes, sir?

ROY

What skill do you require?

KIT

I am an Advance Placement Student at Tatsu Ninja School. My hands are swift, deadly weapons. I will be in charge of my own extra training, thank you; and I will do it privately.

ROY

Cry me a river.

KIT

Huh, sir?

ROY

THAT'S "YES, SIR" TO YOU, CORPORAL!

KIT

Corporal?

ROY

Yolande and Brad will stay with me, each morning, for training in the deadly arts.

BRAD and YOLANDE

Yes sir.

AMANDA

I wish I were human.

ROY

My son died at the age of 18, fighting a senseless war... We are INVASION FORCE. We must find Gareth Evilmen, then we must find our ship, then we must find a time-warp, or something...

EXT. RIFLE RANGE - MORNING.

YOLANDE shoots golf balls.

A 29 year old leather-jacket wearing man named DIRK, stands next to her.

DIRK

YOU SHOT MY DAMN GOLF BALL!

YOLANDE

Huh?

DIRK

You're pretty good.

YOLANDE

Thanks. I was in a militia back on earth.

DIRK

A water kill-gang?

YOLANDE

No... a state-militia...

DIRK raises an eyebrow.

DIRK

I don't understand...

YOLANDE

Sorry. Um, I'm from seventy years in the past.

DIRK

That explains it...NOT!

INT. HOTEL HALLWAY - DAY.

NORGSTRON talks to RANDT, as two drug-lackeys stand guard.

NORGSTRON

I have questions about a drug.

RANDT

Talk to my hand.

RANDT puts his hand in front of his face; NORGSTRON talks to it.

NORGSTRON

Could you hunt me up some viagra?

INT. HOTEL BAR - NIGHT.

BRAD consults a bartender.

BARTENDER

Face it: Your mission failed.

BRAD

Yeah.

BARTENDER

You're history's biggest mistake, Brad Thon.

BRAD

Myself? Wow.

BARTENDER

President Stanton wanted to be recorded in the history books as the hero who conjured up mediagenic heroes -- role-models. But when Invasion Force disappeared, he failed because you're a failure, you failure. Then Gareth Evilmen unveiled his up-dated water-cannon, and the Federal Emergency Measures Agency switched power from the president, to Evilmen, who then updated SpaceFighterJets with his water-cannons which crushed the AntBeasties once and for all! However, Earth was left without water. Now OmniTron supplies the solar system's

WaterKillGangs with much of the earth's water.

BRAD  
WaterKillGangs?

BARTENDER  
Never-mind. Never-mind, because you suck!

BRAD  
Anyway, I came here to pick up chicks.

BARTENDER  
You're the stupidest fool I've ever met.

A woman approaches, slaps BRAD, then walks away.

BARTENDER laughs.

INT. HOTEL ROOM - NIGHT.

YOLANDE confronts DIRK at the table.

YOLANDE  
I slipped a truth serum into your drink. I have a few questions.

DIRK  
Shoot.

YOLANDE  
Do you intend to love me?

DIRK  
No. I'm secretly gay.

YOLANDE  
Damn. Will I ever find love?

INT. HOTEL ROOM - EARLY MORNING.

ROY gives lessons to BRAD and YOLANDE.

ROY  
ATTENTION, MIEN ...umm...SOLDIERS!!!

BRAD  
Huh?

YOLANDE  
Good morning, sir.

EXT. TOURIST KIOSK - MORNING.

KIT talks to a tour-guide.

KIT  
Tell me about the Mars Mystery Spot.

TOUR GUIDE

The Mars Mystery Spot is a mysterious curiosity; it's a place wherein many have entered, and many more have exited...BRAIN-DEAD!

KIT

Interesting. What's a bistro?

TOUR GUIDE

It's like a cafeteria, but I said nothing of a bistro.

KIT

What's a regatta?

TOUR GUIDE

It's a boat race, but we don't have any here.

KIT

A boat race sounds fun.

INT. HOTEL ROOM - MORNING.

INVASION FORCE eats breakfast.

ROY

I have an idea.

KIT

A boat race?

ROY

No.

AMANDA

What's the big idea, Roy?

ROY

We'll ask civilians about Gareth Evilmen.

YOLANDE picks up a phone, and says...

YOLANDE

(to phone)

Room-service, where's Gareth Evilmen's base of operations?

VOICE FROM PHONE

OmniTron Mars Corporate Base Central Headquarters is located in Capitron. I can call a bus, and set up an appointment for you, with someone from OmniTron. Shall I?

YOLANDE

Yes.

EXT. HOTEL, SHOOTING RANGE - MORNING.

YOLANDE and DIRK shoot side-by-side.

DIRK

I find this conversation to be extremely interesting.

DIRK

Interesting conversations end.

YOLANDE shoots DIRK in the head, killing him instantly.

EXT. PRIVATE BUS - AFTERNOON.

INVASION FORCE ride a bus!

ROY

Next stop: Gareth Evilmen's base!

INT/ EXT. BUS/MOUNTAIN ROAD - AFTERNOON.

The bus passes a roadside sign which says, "Steep cliff ahead."

The BUS DRIVER swallows a cyanide pill, and dies -- his face falls onto the steering-wheel.

KIT

My danger-radar is tingling.

AMANDA

Mine pulsates.

ROY looks at the driver.

ROY

The driver's dead.

The bus falls over the cliff.

Seconds before a crash, NORGSTON says...

NORGSTON

Hey, don't we have that emergency-teleport whatnot?

CUT TO:

INT. INTREPID, COMMAND DECK - DAY.

INVASION FORCE appears in a flash of light, except KIT.

YOLANDE

How did we get here?

AMANDA

The tracking devices in our necks were triggered when ...

YOLANDE

Shut up! Who cares?

EXT. SHALLOW RIVER - DAY.

KIT climbs among wreckage from the crashed bus.

KIT

I am pleased that my ninja school taught the falling technique which saved me. With INVASION FORCE obviously dead in the wreckage of the bus, it's up to me to find the INTREPID.

INT. NORGSTRON'S ROOM, INTREPID - DAY

NORGSTRON's room contains a bed, and a cup of water for his false teeth.

NORGSTRON enters.

INT. YOLANDE SMITS' ROOM, INTREPID - DAY

YOLANDE's room contains a bed, marksmanship trophies, and exercise equipment.

YOLANDE enters, and lies on her bed.

INT. BRAD THON'S ROOM, INTREPID - DAY

Censored posters clutter the walls.

BRAD, lies on his bed, and weeps.

INT. ROY SANGSTER'S ROOM, INTREPID - DAY

Photographs of Clara, and medals of valor, line the walls.

ROY enters, and lies on his bed.

EXT. HIGHWAY, LIMITS OF SMALLTOWNITRON - MORNING.

KIT looks at the skyline of a bustling city, while standing beside a road-sign which says "WELCOME TO SMALLTOWNITRON".

INT. GRIMY BAR.

There are bar-fights on pool-tables as KIT enters.

KIT

EXCUSE ME!!! Where's the nearest bus stop!

A THUG smacks KIT. They trade fisticuffs.

KIT's eyes turn red.

KIT

Ninja Fire Punch!

Kit's fists flame and pummel the THUG.

The THUG's eyes turn red.

THUG

Water Hug!

Water appears, takes the shape of arms, and squeezes Kit.

KIT  
SUMMON-SPELL: FAERIE!

A FAERIE appears, drinks the water, then disappears.

THUG  
You escaped!

KIT  
How are you with a sword?

Swords appear in KIT and THUG's hands.

They sword-fight.

THUG  
You're too powerful!

KIT slices THUG in half.

KIT  
SOMEONE TELL ME WHERE THE BUS STOP IS!

An IDIOT says...

IDIOT  
Not until you defeat us all, one by one.

KIT  
(laughing)  
It's game time.

CUT TO:

EXT. SMALLTOWNITRON, BUS STOP.

KIT waits for a bus.

INT/EXT. BUS/HIGHWAY - DAY.

KIT rides a bus.

INT. COMMAND DECK.

AMANDA ROBOT pushes a button, and GARETH EVILMEN's face appears on the viewscreen.

GARETH EVILMEN  
I'm giving your ship back.

AMANDA  
Huh?

GARETH EVILMEN  
I've taken your water, so I don't need your piece of junk

anymore.

INT. BATHROOM.

BRAD looks into the empty toilet-bowl.

BRAD

No water. Hmm... This is gonna really stink.

INT. COMMAND DECK.

AMANDA turns a switch from "off" to "on".

KIT appears in a flash of light.

AMANDA

Welcome back, Kit!

KIT

Wow! You're alive! How'd I get here?

KIT notices blood on AMANDA's hand.

KIT

Why is your hand bloody?

AMANDA

That's top-secret. By the way, if anyone asks: Roy died in his sleep. Just kidding: I killed him.

INT. CHURCH - DAY.

Everyone who has ever appeared in this story, except the characters who died, are in this church, at this open casket funeral for ROY.

PRIEST

We are gathered to pray tribute to the memory of a tall, bald man, whatever his name was. He probably wanted a sad funeral, but I'm not a bad host, so this'll be a happy party, with pizza and clowns!

PRIEST sits down. YOLANDE steps up.

YOLANDE

Roy grew on me. But I like Kit more. Loving Kit is worthwhile.

The audience applauds. YOLANDE steps down. KIT steps up.

KIT

If anyone's found my lap-top computer, return it; it has my deep, dark secret on it: the fact that I need glasses. OOPS! By the way, cupid's rifle splatters my heart all over the place for Yolande, because I love her tight clothes.

The audience applauds. Kit steps down. Amanda Robot steps up.

AMANDA

I am not sure who the enemy is, so I will kill all of you.

AMANDA self-destructs in a tiny explosion which kills no one but herself.

Audience applauds. NORGSTRON steps up.

NORGSTRON

Let me tell you about a young whipper snapper who I can't remember. I think he was fond of Lawrence Palton's Album called Sounds Of The Shoreline. So Happy Birthday Tommy Hilton.

NORGSTRON steps down. RANDT orson steps up.

RANDT

I wanted him to die.

Audience applauds. RANDT steps down. BRAD steps up.

BRAD

I'm not good at public speaking...so I won't

Audience applauds. BRAD steps down. GARETH EVILMEN steps up.

GARETH EVILMEN

I will stop INVASION FORCE from going back in time.

YOLANDE shoots GARETH EVILMEN in the head -- he dies.

The audience applauds.

A guy named BOB steps up to the front -- YOLANDE shoots him too, and GARETH's cat drinks the blood.

Priest steps up.

PRIEST

This funeral won't include them.

Priest steps down.

INT. BRIDGE, COMMAND DECK OF INTREPID.

INVASION FORCE is ready for action!

EXT. FIELD, OUTSIDE OF A CHURCH - DAY.

The INTREPID launches.

EXT. OUTER SPACE.

The INTREPID flies through a weird looking TIME WARP.

EXT. SURFACE OF THE MOON.

A bunch of ANTBEASTIES march on the moon.

INT. BRIDGE, COMMAND DECK OF INTREPID.

INVASION FORCE is ready for more action!

KIT

We're back through the time-warp! Now let's prevent that horrible future! Let's kill the AntBeasties!

YOLANDE

We're being hailed.

KIT

Put it on screen.

The face of a MISSION CONTROL GUY appears on the screen.

MISSION CONTROL GUY

Your ship disappeared, then re-appeared.

KIT

Well, we were in an alternate universe.

MISSION CONTROL GUY

Who are you?

KIT

I'm a stowaway.

MISSION CONTROL GUY

Oh. See ya later.

The transmission ends.

YOLANDE

Sensors detect that the AntBeasties have congregated within a base on the surface of the moon. The base is shaped like the bottom of the INTREPID. We'll stomp on them!

EXT. SURFACE OF THE MOON

The INTREPID lands atop a base, crushing it. AntBeastie-blood paints the moon red.

END OF EPISODE.

NEXT EPISODE: Revenge of the Mutants
